

Pages

- Home Page
 - Simple little intro to me, outline my goals.
- Contact Page
 - Email, Github, Social Media Links
- Project Page - re-use for all projects
 - Github Link, Screenshots, list any unique technology used (CSS framework, etc.)
- Project 'Gallery' page, showing all projects
 - Grid of all projects, screenshot and title for each that links to a project page.
- Resources & Inspiration - What inspires me?

Inspiration

- <https://geletina.com/>
 - Minimal, clean, easy to read
- <https://www.lagasa.com/>
 - The right side vertical menu is really unique and clean
 - Offset grid is eye-catching
- <https://eessoo.co/>
 - Bold, bright use of colors.

Components

- Header / Navigation
- 'Project Card' for Project Gallery

Resources

- Standard CSS for this project
- Figma for mocking
